

## STATISTICAL SUMMARY

The Cartobibliography maintains the same format as that followed throughout [THE GRAND CANON](#). It also keeps in place each citation’s unique Item Number (a registration number only). Accordingly, the Item Numbers displayed in the Cartobibliography also divulge their original topical placements in [THE GRAND CANON](#) Volume 1. [See additional [notes](#) on p. xxiii herein.]

Citations of “general maps” that were *transferred outright* from the original Part 25 of Volume 1, or which have been more recently added as new to this Cartobibliography, can be identified by the Item Number prefix “25.”

Other prefixes from Volume 1 are:

- 9. *copied* from Part 9 (travel and trail guides)
- 10. *copied* from Part 10 (Colorado River guides)
- 11. *copied* from Part 11, Section 2A (separately published geologic maps in the Lower Colorado River region, which complement the geology citations pertaining to the Lower Colorado River region separate-coverage group of the bibliography), with a guide to topographic map quadrangles *transferred* from the “Appendix to Part 11”
- 18. *copied* from Part 18 (physical environment of the Grand Canyon region)
- 19. *copied* from Part 19 (biology and ecology of the Grand Canyon region)
- 24. *copied* from Part 24 (separately published geologic maps and special topographic maps in the Grand Canyon region, which complement the geology citations for the Grand Canyon region), with a guide to topographic map quadrangles *transferred* from the “Appendix to Part 24”

*Section 3* is omitted from this table because it replicates, in chronological order, the contents of Sections 1 and 2. Additions that will appear in future editions of the Cartobibliography will employ the same system of Item Number enumeration: “General” maps will continue to use the 25. prefix as derived from the topical arrangement of [THE GRAND CANON](#) and will appear only in this Cartobibliography; newly cited specialized maps will be assigned their respective prefixes as outlined above *and* will appear in both this Cartobibliography and the respective thematic parts of Volume 1/Part B of [THE GRAND CANON](#).
